April 21, 1975

PRESIDENT: The bill is introduced.

CLERK: New bill, Mr. President. LB 599, introduced by the Executive Board and signed by the members thereof. Read title. See Page 1359, Journal. Mr. President, a Reference Committee report referring LB 599 to General File. Signed Gene Mahoney, Chairman. Mr. President, your committee on Banking to whom was referred LB 590 instructs me to report the same to the Legislature the recommendation it be advanced to General File. Appropriations reports LB 472 to General File as amended. Mr. President, Senator Cavanaugh asks unanimous consent to print amendments in the Journal to LB 528. Senator DeCamp asks unanimous consent to print amendments in the Journal to LB 349 and Senator DeCamp asks unanimous consent to print a series of amendments to LB 269. Mr. President, the Appropriations Committee gives notice of a Executive session on Monday, 4/21, that is today at 4 o'clock, Tuesday, Wednesday, Thursday, all at 4 o'clock.

PRESIDENT: The Chair recognizes Senator Burbach.

SENATOR BURBACH: Mr. President, members of the Legislature, due to the long discussion on LB 187 here this afternoon, I did not prepare the calendar at 3:30 like I usually do but for your information, in the morning, we will have 15 minutes of Final Reading four bills. Senator Frank Lewis is not here. He asked to have 243 and 243A held off of Final Reading until he returns. Last Thursday, Senator Hasebroock, the Chairman of the Retirement Committee, asked that we did not discuss 32, 50, 50A and 235 today, even though they were set on the calendar. He is the Chairman of that Committee and wants to be here at the passage of those bills. So tomorrow morning, after Final Reading, and we do have two, four, six or seven bills on Select File, we will start with 187, 187A, 269, 269A, 141, which is set for tomorrow by a previous action of this body, and then 32, 50, 50A and 235. If we have any additional time, we will proceed as they are on the Select File for it. Now if there is any ideas that this is not satisfactory, I would be hopeful, before I print the calendar, that objection would be voiced and that I would be overridden with 25 votes, if that is the pleasure of this body.

CLERK: Yes, I move we adjourn.

PRESIDENT: There is a motion to adjourn. All in favor say aye. Contrary say nay. We are adjourned.
